

Palmer's 1st Annual Math Night

Come learn

- what's happening in 6-8 math classes.
- how students practice math in all subjects.
- how to use I-Respond.
- the tutorial process.
- how to help at home.

Highlights:

- Students will teach parents math games & activities
- Families will leave with games to practice math at home
- Free workbooks

Tuesday, Nov. 15 6:00 - 7:30.
Multiple sessions available. Arrive when you can & stay as long as you want.

Come have FUN with math!

Every student must be accompanied by a parent.
